## salon services:

Our salon utilizes Redken Hair Color and carries hair care products by UNITE and Aquage. UNITE products are "sulfate free, non-animal tested, and completely vegan shampoos, conditioners, styling products and finishing agents."

### precision haircuts:

Women \$42  
Men \$42  
Children (1-12yrs) \$18

### design & styling:

Shampoo & style \$22  
Flat iron \$12  
Special occasion hair \$70  
Bridal hair \$100  
Blowout \$35

### luster polish

A clear glaze that adds incredible shine and conditioning, without adding color to natural or color treated hair. \$22

### awapuhi treatment

A wonderful treatment that can be combined with any service. Reduce breakage, improve shine and help prevent color fade. Keratin protein repairs and transforms fine, fragile and chemically damaged hair. \$25

### make-up:

Traditional application \$60  
Airbrush foundation with traditional make-up \$95  
Instructional \$75 for 1 hour

## custom color:

### panoramic color mask

All over color, root to end, used with permanent hair color for lightening and grey coverage. We create fashionable, shiny hair color for beautiful blondes, vibrant redheads and stunning brunettes. \$37 // touch-up (roots only) \$32

### illuminated color drench

Glaze, refresh, and correct by using the number one, long-lasting, no ammonia, no lift, demi-permanent hair color. \$37

### the face frame

Highlights that perfectly accent your best features. This is great to provide you with a little touch of color, or it can be used as a wonderful "in between" process. 5 foils \$20 // 10 foils \$40 // 25 foils \$65

*Please Note:* Some specific looks will require more foils in order for that look to be achieved. Each additional foil over 25 is \$2 per foil.

### ombre hair color

Ombre hair color is generally darker at the roots through the mid-shaft and then gradually gets lighter from the mid-shaft to the ends. A consultation is required for this service.

## custom color continued:

### balayage highlights

Balayage is a free form highlighting technique in which customized highlights are painted on to individual strands of hair. This technique offers a natural look by doing away with a more uniform foiling process. A consultation is required for this service.

### blonde luxury

A double process, including a luxurious lightening treatment, followed by an illuminating color drench. Shades may range from soft platinum blondes to soft pale blondes. You are able to select the blonde color palette of your choice. Starts at \$115

### color correction

Are you hoping to make your dark, chemically-colored hair light? Or, are you hoping to make your light hair dramatically darker? If you answered "yes" to either of these questions, then you would be in need of a customized Eden Color Correction. More often than not, these services may take multiple processes and may not be achieved in one service and/or visit. A thorough consultation is required in which your stylists will discuss your expectations, as well as approximate timing and pricing of the color correction.

### hotheads hair extensions

Your search for natural-looking extensions ends here! These personalized extensions "provide volume, length, highlights and dynamic color easily and without damage or hair loss... Hotheads Hair Extensions are uniquely designed to lay completely seamless and undetectable in the hair. Manufactured with amazing quality human Remy hair with the cuticle intact, allows hair to be reapplied up to 3 times, while still looking and feeling amazing. Clients will get 8 to 10 weeks of wear from each application."([www.hotheadshairwear.com](http://www.hotheadshairwear.com)) A consultation is required for this service.

Our services are a la carte. Color Prices listed do not include a haircut and/or shampoo and style. All prices are subject to change and do not include gratuity.
